

IS ABLE

δυναμένω

(has the power, is able or capable)

Do you remember the old Star Trek television series? When it first came out, it captured the imagination of an entire generation. The crew of the Starship USS Enterprise was on a five-year mission and they endeavoured — "to boldly go where no man has gone before." The mission of the Starship Enterprise and its crew was to "go beyond!" And each episode recounted their experiences as they boldly went onwards. Perhaps you've wished to live a Sci-Fi life. There's part of you that would like to embark on a Star Trek-like adventure. Yet, you realize this is fictitious. It's just your imagination playing havoc with your desires. Seriously, have you ever longed to go beyond the natural realm and operate in the realm of the spirit? Have you ever aspired to live a supernatural life 'far-above' your present circumstances? In fact, God wants you to forget the past and keep pressing forward. He wants you to go "above" and "beyond" — to where you have never gone before!

Jesus spoke and acted '*above and beyond*' beyond imagination in His earthly life and ministry. He took care of both the spiritual and physical needs of individuals with miracles, signs and wonders. They were needs that required Jesus to go '*above and beyond*' the imagination of the onlookers. There are needs here today so large that the only way they will be met is for God to work '*above and beyond*' what we can ask or think - outside the normal, natural, or conventional means.

*"Now to Him who is able to do **above and beyond** all that we ask or think according to the power that works in us" — Ephesians 3:20 (Christian Standard Bible) **"Now to him who is able to do immeasurably (super-abundantly) above and beyond all we ask or think or imagine, according to His mighty power that is at work within us."***

God is not just able to do beyond what we ask, but immeasurably above and beyond! But that's not enough, He is able to do *super-abundantly* above and beyond what we ask. But, we still aren't reached the limit: "Now to Him who is able to do immeasurably above and beyond all that we ask *or think or imagine, according to the mighty power that works within us.*" So, what is it that you need right now? I'm here to tell you, God is able to do immeasurably more than you can hope or dream or imagine. It is His divine purpose and intention for your life!

Last Sunday, during the evening service we experienced a mighty eruption of God's Spirit. There was a genuine "breakthrough" and the atmosphere became full of His glory. Everyone present was touched and profoundly affected by what the Lord had done. I consider this to be confirmation that God is planning to take us immeasurably "above and beyond" our greatest hopes, dreams and expectations. The big question is this... Are you ready to let the Holy Spirit propel you forward - into the supernatural super-abundant life Jesus has already secured?" If you are, then today is your day!
